LADIES, LADIES, LADIES!!

MANENTINE DAY is on March 14th and is like Valentine's Day, but celebrates the man in the relationship. The holiday encourages couples to dine at manly restaurants, buy manly gifts, and do manly activities. Even single men can enjoy Manentine's Day by celebrating their friendship with their buddies.

The holiday provides a platform for significant others to show appreciation for their men and brings an element of equality to the relationship. If a woman enjoys a great Valentine's Day, she now has the opportunity to reciprocate one month later, by treating her man to his own special day on March 14th.
